COMPANY PROFILE

ARKO, the brand name symbolizing the steely ambition of the ARKO brothers, came into being in the year 1993. From the modest manufacturer of bicycle components to bicycle manufacturer today, the odyssey was fueled by one vision – to build long – lasting relationships with everyone, including workers, dealers and vendors. This philosophy has paid rich dividends through the years.

ARKO group name synonyms with Bicycles and Bicycle Products in India, is today a multi – unit, multi – product, geographically diversified Group of companies. Through fully integrated operations, the ARKO people make critical components such as Hub, Rims, Chainwheel, Free wheels, Bicycle Tube, Auto Tube and Complete Bicycle, and have the foresight to simultaneously diversify into myriad ventures, like Product Designing, IT enabled services, Finance, just to name a few. We use only high quality graded raw material from reputed manufacturers and suppliers, we have the latest in-house computerized laboratories and testing facilities for raw material and finished good, which ensures strict quality control steps. To support this quality standards, we have ISI quality certification from Bureau of Indian Standards and ISO 9001:2015 certificate thus satisfying International and Domestic Market.

Thus, apart from being customer-centric, the ARKO Group also provides its employees with a fine quality of life and its business associates with a total sense of belonging.

Like every success story, ARKO saga contains an element of spirit and enterprise; of achievement through grit and determination, coupled with vision and meticulous planning. This is what drives the Group to seek newer vistas, adopt faster technology and create quality driven products to the utmost satisfaction of customers, partners, dealers and vendors. Today the ARKO Group has several accolades and achievements to its credit yet consumer requirements and newer technologies provide fresh challenges every day, and at ARKO the wheels of progress continue to turn...

The ARKO Group philosophy is:

"To provide excellent transportation to the common man at easily affordable prices and to provide total satisfaction in all its spheres of activity."
